Banff, July 20, 65

Dear Mutti!

Thank you very much for your letter from Westri, which was already started there. That must not seem all that long ago to you now. But 4 weeks ago you wrote again that you didn't get any cherries. The weather? We just have so many mosquitoes that one can hardly was ideal for washing. Britt contrary with a judgment. boys people nearly Toy and dusty car got covered in dust. On the children of Mr. Ochs in journey through America, and we stay the night. We drove over the with a right very far in Danube from Germany. It is so, that it is, and very unhealthy. Likewise that Germany soon no longer can. It also shows that Heinz for the next 2-3 years in America, that every house has a In telephone numbers. Our local call of which at the beginning of July in Vanc In our station wagon a boys we are expecting with great There we experienced our first Christ Christophen accompanies us on is enough. If a fruit lies, not. Also was a bit cautious

yesterday I received a first letter. Hopefully out soon and in the valley at however, be over very quickly. finally an end to so many switch-overs. I did that because of the can save. The weather was I have constantly packed for the children. Georg Calgary will with huge clouds and we had a visitor from Vancouver. He is on a 3-month invited to join us also into the mountains on Saturday. He told, and he presented very interestingly the labor problem is a catastrophe so the increase in wages and prices, with which Germany can compete often experienced at the factories there are what pleases me most is that has a telephone, and how cheap it is, weeks for 4 days. We had in the back shady places to lie, and so they could what they wanted, in peace, slept the days, we also went swimming. water until it was up to his nose , until all the water to the heavens , but he had a lot of fun doing it.
