

## DORLELETTERS1962 L0005 (English)

Banff, Dec. 26/62

Dear Mutti,

Now I want to thank you very much for the lovely letter you sent me for Christmas a week ago, which I wasn't sure if I had received yet or not. As it turns out, I hadn't received one yet. I feel very well, though, that one isn't so stuffed full. People probably say the little birds are so full and content, the children laugh and are in diapers, so you have to take care of them a little. People complain and don't swaddle the little birds so they are full and content. The children are doing well. You can't give the children the first letter yet. Done out of carelessness.

It was very cozy at our place on Christmas Eve. We had a Christmas tree, since the student is still here with her parents, and they like it too. We had ornaments, but no tinsel and chocolate. On the Christmas tree, I got from Jeanette and chocolate for Eva and the others.

Yesterday, the others were here at my place as always to cook Christmas dinner. I got cabbage and potatoes in their jackets and homemade chocolate. I didn't have that many cakes.
